Gentlemen:

Supplemental Permit is hereby granted to the above designated permittee to dispose of waste from the Bestrice Food Co. of Champaign, Illinois. This Supplemental Permit is based on a Supplemental Permit request and documents received by this Agency on September 21, 1977 and October 18, 1977, and on previously submitted documents which described the deep well disposal system prior to and after construction.

All inquiries should be directed to Mr. Rauf Piskin, Manager, Hydrogeology Unit, Technical Operations Section, Division of Land/Noise Pollution Control.

1. The Cabot Corporation is permitted to dispose of up to 347,000 gallons per month of waste from the Bestrice Food Co., as described in the submitted documents.
2. Residues from the bottom of two ponds shall be removed at least once a year or more frequently when it is necessary. These residues shall be disposed of in a permitted sanitary landfill.
3. The amount of waste disposed shall be reported, in gallons, in monthly operation reports.
4. This Supplemental Permit expires on October 25, 1978.
